## **MAGELLAN HILL AND VERIZON WIRELESS SIGN PARTNER AGREEMENT**

### *Business Consultants for Verizon Wireless Products and Services*

**Trevose, PA** - Verizon Wireless, the leading wireless company with the nation's most reliable wireless voice and data network, today announced the opening of a new outlet in Haddonfield, NJ to make shopping for the company's wireless voice and data products more convenient for local businesses. Magellan Hill Technologies at 30 Washington Ave., Suite D now offers a wide variety of wireless phones and services from Verizon Wireless.

**Magellan Hill is the leading provider of Telemanagement services in the Northeast United States. Magellan Hill provides Telecom Management for corporate, institutional and government accounts, providing a single point of contact for its customers. Magellan Hill manages provisioning, billing and trouble repair for all data and voice products.**

Businesses may activate Verizon Wireless service with Magellan Hill Technologies and shop for the latest in wireless technology including data services like two-way text messaging; picture messaging; V CAST Service, which brings TV, music and other multimedia services to wireless phones; and the newest version of VZ Navigator<sup>TM</sup>, which provides audible turn-by-turn directions and real-time traffic information over the company's high-speed wireless network.

Verizon Wireless authorized agents receive extensive training, as well as merchandising support and competitive commissions, after successfully completing a highly selective qualification process. Authorized agents play a key role in the company's retail sales distribution strategy, which includes more than 2,400 company-owned and operated Verizon Wireless Communications Stores nationwide.
