Re: Applications of Magellan Hill Technologies, LLC, for approval to offer, render, furnish, or supply telecommunication services as a Facilities-Based Interexchange Carrier to the Public in the Commonwealth of Pennsylvania, for approval to offer, render furnish or supply telecommunication services as a Competitive Local Exchange Carrier to the Public in the service territories of Verizon Pennsylvania Inc. and Verizon North Inc. within the Commonwealth of Pennsylvania, and for approval to offer, render furnish or supply telecommunication services as a Reseller of Interexchange Toll Services to the Public in the Commonwealth of Pennsylvania.

Dear Mr. McDermott:

By Order adopted November 30, 2006, at Docket Nos. A-311410, A-311410F0002 and A-311410F0003, the Commission approved the application of Magellan Hill Technologies, LLC, (Company) to operate in the Commonwealth of Pennsylvania as a Facilities-Based Interexchange Carrier, as a Competitive Local Exchange Carrier in the service territories of Verizon Pennsylvania Inc. and Verizon North Inc., and as a Reseller of Interexchange Toll Services. On December 19, 2006, the Company filed Telephone Tariffs -Pa. P.U.C. No. 1 and Pa P.U.C. No. 2 with effective dates of December 20, 2006.

In addition, it is noted that no Switched Access tariff accompanied the instant facilities-based/UNE-P application. Until a Switched Access tariff is filed, the Company is not permitted to apply access charges, e.g., originating and terminating access billed to interexchange carriers.

This letter is to notify you that Telephone Tariffs - Pa. P.U.C. No. 1 and Pa P.U.C. No. 2 have been permitted to become effective. This permission does not constitute a determination that the tariff is just, lawful, or reasonable, but only that suspension or further investigation does not appear to be warranted at this time.

The Company is also directed to add its Pennsylvania tariff to its website within thirty (30) days from the date of this letter. Upon placing the tariff on its website, the Company shall contact Cyndi Page (717-787-5722; cypage@state.pa.us) of the Commission's Communications Office to inform her of the tariff's website address. In order to maintain a true and accurate representation of its tariff on file with the Commission, the Company should continually update its tariff whenever supplemental revisions are approved by the Commission.

If the Company does not maintain a website, the Pennsylvania Public Utility Commission will host its tariff on the Commission's website. Contact Cyndi Page for instructions on how to have your tariff and/or tariff supplement(s) added to the Commission's website.

The determination to permit the tariff to become effective is without prejudice to any complaint timely filed against the proposed tariffs.

Sincerely

James J. McNulty
Secretary
